

Sorry, but this file isn't hosted here anymore, but don't worry! I still have a copy! I hope...
If you want it, please send an email to oldfiles@illandril.net and let me know you were looking for this.
It may take me a few days to find it and respond, but if I don't respond within a week bug me again
(and keep bugging me until I get it for you).

Sorry for the inconvenience!

- Joe (aka Illandril, aka Gildar, aka lots of other names)
